and what have you

by BOB CRAIG

Theo Johnson stopped me on the street yesterday to tell me of 5 men from Old Glory who were just in his office. They had received a copy of last week's Herald that we sent to everyone in Old Glory as sample copies and saw his 3 inch income tax ad and came down to let him figure their return for them. They said they were going to subscribe to the Herald. As merchants an citizens of Hamlin we need to make a greater effort to welcome the people of Old Glory to town since we have a fine FM road between the two towns.

The bridge ceremony last spring was a fine effort but we should not stop there.

In an effort to gain subscribers and to benefit our advertisers the Herald is being sent to different areas from time to time.

With the Senate election coming up soon it seems important to make note of the fact that the ballots will be counted if the voters intentions are clear and it will not be necessary to draw an individual line through each of the 70 candidates you do not wish to vote for.

You can mark out the other candidates by marking a X through them or by drawing vertical lines through them. To be sure your ballot is counted it would be well to either circle your candidate or mark out the names above and below your choice.

Also on the election, I received a release this week concerning the widespread misunderstanding that a special election would be necessary to fill the office of Attorney General if Will Wilson should be elected to the U. S. Senate.

Should Wilson be elected to the Senate, his successor as Attorney General would be appointed by Governor Price Daniel. No election would be necessary to replace him. I too, thought there would have to be another election.

Should Congressman Jim Wright or State Senator Henry Gonzalez be elected it would cause only a minor local election.

This is not meant as an endorsement of any of the above candidates but only to eliminate some of the confusion over the election.

Looks like we are getting the same mixed up mess in Austin as we had two years ago. The additional pay doesn't seem to have helped very much.

It is hard to understand why there is so much opposition to a state sales tax in Austin when everywhere else the people seem to be resigned to the fact that a sales tax on everything is about the only way the state can hope to meet the people's demands for services. It is the only tax that would collect money from a lot of people over the state who use the state's services and don't help pay the bill. If you eliminate some of the selective sales taxes and have a simple straight across the board sales tax I don't believe it would hurt the older people as some say. It would probably give the state the money to give them the retirement pay they are supposed to be getting now and aren't.

North Central Baptist Revival To Start April 2

The spring revival will begin April 2 at the North Central Baptist Church and continue through April 9.

The Rev. V. D. Walters, pastor of the North Park Baptist Church in Abilene, will be preaching with Woody Northcutt directing the music.

The Rev. T. M. Harrell, pastor, invites the public to attend the services daily at 10:00 a.m. and 7:30 p.m.

SERVICES HELD SATURDAY FOR O. L. JENKINS

Final rites for O. L. Jenkins, 77, were held Saturday at 2 p.m. in the Fairview Baptist Church with the Rev. Doyle Combs of Fort Worth, pastor, and the Rev. K. D. Wooley of Mangum, Oklahoma officiating. Burial in Fairview Cemetery was directed by Hamlin Funeral Home.

Mr. Jenkins died Thursday at 2:30 p.m. in the Hamlin Memorial Hospital where he had been a patient since Monday, March 13, when he was stricken with a heart attack while on the way into town from his farm home south-east of Hamlin.

A resident and farmer of the Fairview community for 55 years, he was born in Free-stone County, February 2, 1884. He was married to the former Lurline Gay on March 27, 1910. The couple was honored with an open house reception on their golden wedding anniversary last March. He was actively engaged in farm work at the time of his death.

Mr. Jenkins was a member of the Fairview Baptist Church for many years and has served the church as a deacon, class teacher, and Sunday School superintendent.

Survivors include the wife; two sons, E. N. of Hamlin, John C. of Lubbock; three daughters, Mrs. W. A. Norris of Whitesboro, Mrs. Earl Kiser of Stamford and Mrs. Alvis Bond of Hamlin; two brothers, Frank of Houston and Jack of Streetman; three sisters, Mrs. Lillian Dickson of Houston, Mrs. Annie Callan of Stamford and Mrs. Laura McVey of Fort Worth; 12 grandchildren and 4 great-grandchildren.

Pallbearers were E. Mer Joiner, Fred Rosenbaum, Winston Gray, Woodrow Goodwin, John Beecham and H. L. Ford. Honorary pallbearers were Flavel Holmes, Mal Jones, Joe Ford Sr. and E. A. Henry.

Utility Company Office to Close Here Saturdays

West Texas Utilities Company office will be closed Saturdays.

The Hamlin office of West Texas Utilities Company will be closed on Saturday effective April 1-1961 according to an announcement by B. M. Brundage, Local Manager.

Patrons may make payments through a pay-drop in the front door. Service-men will be subject to call and, in case of an emergency, may be contacted by telephone.

Mr. Brundage stated that, by the use of this plan, various Utilities have been able to arrange the hours of the employees in such a manner that better service is provided.

ABILENE FIRM COMPLETES FISHER COUNTY DISCOVERY

Dugger and Herring of Abilene has completed No. 1 Bessie Scott, a Fisher County Flippin Lime discovery, 17 miles southwest of Hamlin.

The strike pumped 84.53 barrels of 43.4 gravity oil from perforations at 3,105-9 feet. Gas-oil ratio was 390-1. Total depth is 3,700 feet, with 4 1/2-inch casing set at 3,170 feet.

It is 330 feet from north and west lines of section 63, block 323, Bastrop County School land survey.

Keith Wells of Abilene has staked a west offset, No. 1-A Bessie Scott, to the No. 1 Scott.

Site is 330 feet from north and east lines of section 49, block 323, Bastrop County School Land survey. Contract depth is 3,700 feet.

A southeast Stonewall County wildcat drilled 10 miles northeast of Hamlin was plugged at 3,487 feet. The dry hole was Cities Service Petroleum Company No. 1-149 Swenson, section 149 BBB&C survey.

TOP CANDY SELLERS — Seated with her father, Wilson Brannon, Lynn Brannon was honored as the top candy salesman in the Camp Fire group while Windy Russell, (right) with her father Jack Russell, was presented a certificate for selling the most candy in the Blue Bird group. The girls were honored at the annual Father-Daughter banquet Saturday night at the Junior High Auditorium. Each Blue Bird and Camp Fire group presented a skit at the box supper affair. All girls selling 10 boxes or more of the camp fire candy was awarded certificates by Sonny Holzmann, council president.

DR. MARION TALKS HERE ON LIVESTOCK FEEDING PROGRAM

Farmers from over the area were here Monday night to hear Dr. Paul Marion of the Spur Experimental Station speak on silage feeding of livestock. Registering for the meeting held in the High School Gymnasium were 68 farmers from Haskell, Stamford, Aspermont, Anson and Hamlin.

Dr. Marion cited many examples of the opportunities in livestock feeding in Texas and termed it one of the best

Ministerial Group Sets June 5 as Start of Schools

A breakfast meeting of the Hamlin Ministerial Alliance was held in the dining room of the City Cafe Tuesday at 7 a.m.

The Rev. T. M. Harrell, president, presided with the Rev. Cecil Stowe, pastor of the Church of the Nazarene, bringing the devotional.

The date of June 5 was decided upon for the beginning of Vacation Church Schools in the various churches of Hamlin. Each church will be responsible for their own programming.

Those attending were the Rev. Edmund Robb, First Methodist Church, the Rev. Fred Brown, Faith Methodist Church, the Rev. Frank Chapman, Sunset Baptist Church, the Rev. Cecil Stowe, Church of the Nazarene, the Rev. T. M. Harrell, North Central Baptist Church, the Rev. Lenard Hartley, First Baptist Church and guest, S. L. Tate of San Angelo, music director during the revival at the First Baptist Church.

new industries a community could have. He gave as an example of how Texas cattle is being shipped out of state to be fed and then shipped back for consumption, a store in Houston checked their beef and found that it had been raised 90 miles from Houston and then shipped to Nebraska to be fed and then shipped back to Houston.

He pointed out that if the feeders in these other states can buy Texas cattle and feed and pay the transportation charges and still make money that Texas farmers should be able to make even more by saving the shipping costs.

Dr. Marion told of the work the Spur Station is doing in experimenting with new feeding methods and additives. He showed the group slides showing how the ensilage feeding program is set up.

A questionnaire was filled out by each farmer attending and although they have not been compiled, Robert Fowler, director of the agriculture and livestock committee, stated that it appears that there is enough interest to warrant more work on the program in this area.

The meeting was sponsored by Jones County Agent Kirby Clayton, the Hamlin BCD and the Hamlin Jaycees.

600 Feet Phone Cable Stolen Here Friday

Daring thieves helped themselves to about 600 feet of telephone cable from poles located in the northwest edge of the city limits here sometime Friday evening. The insulated cable containing 52 copper wires was cut between about seven poles on the east side of the Highway. The six 100 foot lengths would weigh approximately one thousand pounds.

Telephone service to rural subscribers west of Hamlin and the Rotan area was disrupted sometime around 9 p.m. When crewmen replaced the stolen cable they noticed that complete service was not restored and on further investigation it was found that wires on the west of the highway had also been cut. Repairs were completed Saturday.

Police Chief John L. McCurdy is conducting the investigation.

Faith Methodist Church to Start Revival Sunday

Pre-Easter evangelistic service will start at the Faith Methodist Church on March 26 and continue through Easter Sunday.

The Rev. Fred Brown, pastor, will be preaching Monday-Friday evenings at 7:30 p.m. There will be communion and prayer service on Saturday beginning at 6 p.m. The regular hours will be observed for the Sunday services.

Sermon topics as announced by the Rev. Brown are: Monday—"A Man On Your Hands"; Tuesday—"The Portals of Life"; Wednesday—"The Cup of Hemlock"; Thursday—"The Cry From the Cross" and Friday—"Three Crosses on a Hill."

A cordial invitation is extended to everyone.

Hamlin Jr. 4H Boys Win Fourth Place At Fun Festival

In observance of National 4H Club Week, the annual Jones County 4H Club Share the Fun Festival was held in the Anson High School Auditorium at 7:30 p.m. on Monday night, according to Extension Agents, Kirby Clayton and Mary Newberry. Approximately 300 4H'ers, parents and friends attended.

Of the 16 acts and skits the Lueders 4H girls and boys clubs won first with their "Mandy Spoils the Wedding" act.

The Hawley 4H club placed second with their "Great Train Robbery." Third place winners were the Anson Jr. 4H girls with their "ED Sullivan Show." The band act by the Hamlin Jr. 4H boys was fourth and the Noodle 4H girls were fifth place with their "Oriental Religion" performance.

Rehabilitation Center Nets \$1,261 from Easter Seals

This week \$1,261.44 was turned in to the West Texas Rehabilitation Center in Abilene, by Mrs. Bill Feagan-Hamlin Easter Seal Chairman. Part of this amount was raised in a door-to-door canvass Monday evening.

Mrs. Feagan said Wednes-

day that the response of the people was very gratifying and that more funds are expected from other sources before the drive is completed. Two workers were in the Neinda area Wednesday. The school children have received coin folders and those will be turned in Friday.

The Easter Lily Sale will be held Saturday in front of

the Farmers and Merchants National Bank. Proceeds from these projects will be announced next week.

Workers in this area include Mmes. Feagan, Tim Jones, W. T. Johnson, Gerald Young, Orville D. Roland and Leldon Clifton.

Several adults and children from Hamlin have received treatment or are still being helped at the center and some workers from here have been among the volunteers which help with the work there.

Mrs. Feagan also said that in addition to the favorable response people are showing the workers in this drive she has also been promised a calf for the Cattlemen's Round-up later in the year.

SENIOR PLAY TO BE GIVEN FRI. EVENING

"Come Out of The Closet" has been chosen for the annual senior play and will be presented in the high school auditorium March 24 at 8:15 p.m.

The play is being directed by Mrs. Joe Wayne Carter with Sarah Snapp as student director.

Cast for the comedy mystery are Janice Richardson as Hilda Hawkins, Jennie Law as Irene Gleason, Ann Robinson as Jennie Potts, Monte Wade as Mrs. Malone, Beth Christian as Abbie Phillips, Jorene Hudspeth as Ammonia Mullens, Peachy Hodnett as George Hanson, John Edd Scott as Hercules Jones, Ray Johnson as Guthrie Rosewater, Mac Cade as Sweeney and Phil Smith as Mr. Cutter. Admission will be 25c for students and 50c for adults. Reserved seats will be an additional 25c.

POOL DEDICATION—Mrs. Ivy Baker Priest, past treasurer of the United States, and trustee of the National Society for Crippled Children and Adults, will speak Sunday at the West Texas Rehabilitation Center's dedication of their hydrotherapy pool. The center located in Abilene will hold open house beginning at 2:30 p.m.

MAX MURRELL URGES LIONS TO TAKE COMMUNITY ACTION

The Lions Club is a service club—we have many worthwhile projects, but how much service do we render, Max Murrell asked his fellow club members at their regular Tuesday luncheon.

In pointing out the need for the club to take part in public affairs, Murrell asked, "Are we in a position to claim our share of growth in the next 15 years?"

Public affairs include many things but to a service club it should mean community development, according to Murrell. He defined community development as the ability to fill a communities needs.

Murrell compared community development to firing a gun in that you first find the target—surveying the needs; second you take aim—analyze the survey in terms of money, resources and motivation; and third you pull the trigger—take action. Murrell pointed out that the third part is the most important for without action the other parts become unimportant.

In pointing out many areas the club could work, Murrell urged the club to back the

city's master plan when it is completed and said "the communities who plan today will be in a position to meet the coming needs of their town's growth." Speaking of industries, Murrell asserted that "industries move into communities that know where they are going."

In closing he stated that "Hamlin is ours and we can do with it what we want to."

First Baptist Church Revival To Close Sunday

The Revival now in progress at the First Baptist Church will close Sunday, March 26. Attendance has been good, especially for the morning worship hours according to the Rev. Lenard Hartley, pastor who is conducting the services.

In cooperation with the senior class, time for Friday evening services have been set for 7 p.m. This will allow those attending church to also attend the senior play to be presented in the high school auditorium at 8:15 p.m.

City to Return Paving Checks on Unpaved Blocks

The City Council, in their regular session Tuesday night, instructed Mrs. Clinton Barrow, city secretary to return the checks and liens belonging to property owners that were not included in the city paving program.

The checks and liens were deposited with the city when the blocks were being signed up this fall in the hopes their block would be included.

The city renewed their contracts with Knight and Hart of Abilene to audit the city's books for the next three years.

Mrs. Barrow gave the council members a brief report on region 6 Texas Municipal League seminar held in Sweetwater Tuesday.

To Meet Monday

The Men's Brotherhood of the First Baptist Church will meet at the church for a covered dish supper Monday at 7:30 p.m.

Guest speaker for the evening will be Orville Roland, manager of the Board of Community Development.

COME AND GET IT — Donley Williams, Ed Croan and Haskell Carter handle the cooking duties Friday night for the Lions Club annual Pancake Supper. With three and four men on the stove the club stayed ahead of the crowd and served everyone all of the pancakes they could eat.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS--Foes of a general retail sales tax are pushing to get it before the Legislature. Friends of the tax are trying to hold it back. At a hearing before the House Revenue and Taxation Committee, representatives of regional Chambers of Commerce, generally favorable to a sales tax, asked that the matter be delayed. Committee members opposed to the tax insisted on going ahead. Rep. George Hinson of Mincola, who is against a sales tax, charged backers with dragging their feet in hopes their plan would finally be accepted in last-minute desperation. Hearing was on a general

sales tax measure by Rep. Charles N. Wilson of Trinity. Wilson introduced the bill and asked for immediate hearing to out-manuever those who wanted to delay. After hearing, the bill was, by the usual procedure, sent to subcommittee invoice tax by Rep. Maco Stewart of Galveston. A graduated production tax on oil, a corporate income tax to replace the franchise tax and an excise tax on utilities by Representative Stewart. An increase in state college tuition from \$50 to \$100 per semester by Rep. Frank McGregor of Waco.

A three per cent sales tax on furniture and household equipment by Rep. John C. Alaniz of San Antonio.

A five per cent tax on gross receipts of highway contractors by Rep. W. T. Dungan of McKinney.

A five per cent tax on gross receipts from marine products by Rep. Jake Johnson of San Antonio.

FIREMEN'S BILL HELD LEGAL - - - Atty. Gen. Wilson has ruled that a proposed bill to set up machinery to arbitrate firemen's wages and hour problems would be constitutional.

Rep. Robert Hughes of Dallas is sponsor of the bill which would set up an arbitration board to work out disputes between firemen and city governments. Disputes not settled by the board could be taken to the people in an election once a year.

AUTO RATE BILL MOVES - - - A bill directing the State Board of Insurance to make drastic changes in the merit rating auto insurance plans has been approved by the Senate Insurance Committee.

Passage came after a lengthy hassle in committee. More heated debate and attempts to amend are expected when the bill is taken up by the entire Senate.

As approved by committee, the plan would still assess insurance premium penalties for speeding but not for running red lights or stop signs, making illegal turns, illegal passing or negligent collision. It would still assess penalties for accidents with damage of more than \$25, and it would still be retroactive for three years.

"FLEXIBLE" RATING KILLED - - - House, meantime, killed by a decisive 125-to-21 vote a bill that would have provided a complete new approach for auto insurance in Texas.

Called "flexible" rating, it would allow each insurance company to set its own auto insurance rates. Rep. C. W. Percy of Temple sponsored the bill which has been defeated by previous legislatures. He argued for it on the basis of free competition rather than state controlled rates.

Opponents successfully argued that the plan allows large out-of-state concerns to take over the market and eventually set much higher rates.

MILK IS BOILING TOPIC - - - Milk to stir up arguments in this legislative session.

Senate passed a bill placing of milk from other states, but restrictions on the importing the House postponed floor debate after tempers flared to the shouting point.

Sen. Grady Hazlewood of Amarillo sponsored the Senate bill, and Rep. Steve Burgess of Nacogdoches is the House sponsor. Their measure would bar out-of-state milk from Texas unless a health inspector could certify that the milk had been produced under the same standards as Texas milk.

Dairymen - supporters contend that it is a health standards protection and will prevent "unfair competition" from out of state. It is opposed by milk processors who declare it will limit the supply unnecessarily and force up prices.

GARNISHEE BILL STUDIED - - - Proposals that would allow for the garnishment (taking over) of wages for payment of debts are being considered by the House Constitutional Amendments Committee.

Rep. Henry Fletcher of Luling is sponsor of a proposed constitutional amendment that would permit the Legislature to pass a broad garnishment act. Rep. Ben Jarvis of Tyler is

REPORT FROM AUSTIN...

By REP. LEON THURMAN

This completes another week of the Texas Legislature, and it is the first week after the cut-off date for introducing bills. There are over 1,000 bills that have been introduced in the House, and we would say that the last 900 of the bills affect all the people of Texas. Anyone can see from this figure that most legislation affects each and every citizen. This makes all legislators stay on their toes to see what affect legislation will have on their District.

The most controversial bill that the House had this week was H.B. 19, regarding flexible rates on insurance. This bill was laid on the table for a vote of 122 to 22, which means that the bill is dead for the Session.

The Committee on Revenue and Taxation is hearing the General Sales Tax bill at this time and possibly will have some form of tax bill to vote on in the coming week.

The Committee on Criminal Jurisprudence has heard a bill to regulate bondsmen for criminals, to prescribe methods of taking confessions, to provide for alternate jurors in criminal cases and to permit anyone to plead not guilty and waive a trial by jury. Also, a bill to out-law capital punishment.

Some of these bills, we believe, will help protect the general public; however, there are those that we feel would protect the defendant in criminal cases to a preter extent than our present law. We have to be very careful in the passage of these bills, because we must protect the rights of the people that is given to them in the Constitution.

The Appropriation Committee is also about ready to report the General Appropriation Bill and at the same time we will know exactly how much money we will need to carry on the operation of the State on the next biennium. We know that it will be something over two billion, four hundred million dollars.

sponsor of another that would allow for attachment of wages only to make child support payments.

MINIMUM WAGE ARGUED - - - Proposal for a 75-cent-an-hour minimum wage for Texas workers including farm labor, was argued before the House State Affairs Committee.

Employers of fewer than four persons would be exempt.

A spokesman for the AFL-CIO testified in favor of the bill, declaring that migrant farm laborers are often paid only 30 cents an hour. A Texas Restaurant Association official said that restaurants workers average 81 cents an hour, but that many "marginal workers," such as the handicapped would lose out under a minimum wage.

Rep. Malcolm McGregor of El Paso is sponsor.

The remaining weeks of the Legislature will be filled with a very large amount of work, and most of us will have to really watch the legislation that is passed.

This week we have had quite a scrimmage over the so-called milk bill. There have been threats by some of the Texas Dairymen on some of the members of the House. We think this is a bad practice, and people should talk over their differences in a manner that would not cause a bad reflection on anyone's integrity or character, unless we actually know the other fellow. One cannot question his integrity. We feel that the Texas Dairymen have defeated their own purpose when they made their threats. The bill has been postponed until Thursday, March 23, 1961, and at that time, we anticipate a lot more fire works. Regardless of the outcome, we hope that the legislation is not bad and that the people can live with it.

Bustin' out at the seams!

The WTU service area is growing fast and the facts prove it. Personal income, retail sales, value added by manufacture, bank deposits, savings, construction and other growth factors all are on the way up.

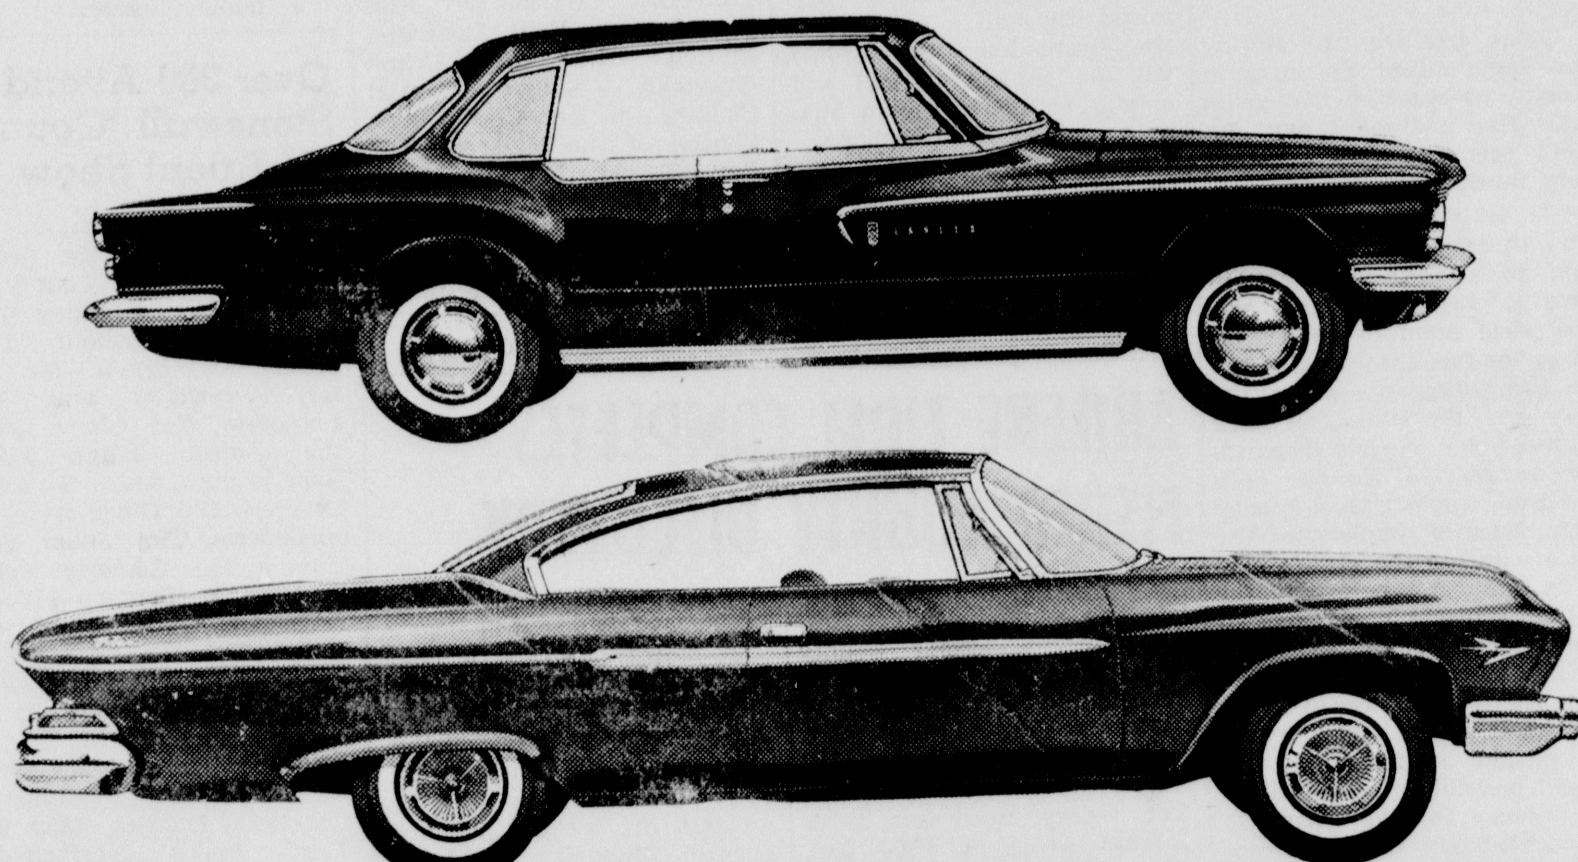

This company's own record of growth in the past decade is further evidence. Our KWH sales have increased 154 per cent, and our generating capability has increased 212 per cent.

Notice that our capacity to serve has increased even faster than our sales. That is because we are working hard to stay ahead of area growth - to have facilities available to serve more people, businesses and industries as they come.

Such an objective is back of our current multi-million-dollar expansion program. One example of it is the new generating station under construction at Oak Creek Lake. When completed it will provide in the very beginning an additional 75,000 kilowatts to our system.

Such long-range expansion plans and the cost figures are significant for one very simple reason. They stand as living testimony to our faith in the future of this area - as evidence of our belief in GROWTH UNLIMITED.

HOW TO TELL A DODGE FROM A DODGE

Identifying a Dodge has become a problem. Because now there are two. Compact Dodge Lancer. Full-size Dodge Dart. There is an obvious difference. Size, inside and out. Dart, the lower picture, is the larger. But otherwise they are very much alike. Both have a unitized, rust-proofed body. A superb ride called Torsion-Aire. A battery-saving alternator. And both have optional three-speed push-button automatic transmissions. Another difference is

price. Dart, the full-size Dodge, is priced model for model with Ford and Chevrolet. The compact Dodge Lancer costs about the same as Comet, Falcon and Corvair. Get to know them better. At your Dodge Dealer's, of course.

FREE TIE CLIP IGNITION KEY to fit your present car. A guaranteed \$2.50 retail value. Get one absolutely free simply by taking a ride in a Dodge car or truck at any Dodge Dealer displaying the big "Golden Key" banner. Offer expires midnight, April 30, 1961.

Gun Cleaning Caution

When coming in from a hunt on a cold day, don't sit down at once to clean and oil and put away your gun.

Wait until after supper so the gun will have time to warm up to room temperature. This will prevent moisture from collecting on the cold metal, causing it to rust later.

HOW TO MAKE A BUNNY AT HOME

Terry toys have long been favorites with children but here is a toy that is fun for the entire family and can be made at home. It is a soft white cuddly bunny made from terry towels that is a hit in any situation. Try making it for a table decoration, a show gift for the springtime crop of new arrivals or to amuse a child who must stay indoors.

The main "makings" of the bunny are soft, white towels. Although the towels should be white as new, it is not necessary to buy new ones. For grey, dingy harsh towels can be transformed to new whiteness and softness in modern laundering. It is not unusual in many busy households, to find some towels grey with "left-in" soil. Unless towels are laundered thoroughly every time, deep soil and stains become imbedded and they lose their attractive freshness. The answer is to wash them, every time, with an all-purpose detergent, plenty of hot water and good laundry bleach beads. Fabric safe chlorine bleach in bead form removes deep soil safely and thoroughly.

Another step in laundering terry towels "the modern way" is to restore them to "store-new" softness. New towel softness can be maintained through-

out the life of the towels or old harsh ones can be renewed with the simple addition of a capful of fabric softener to the

final clear water rinse. Since soaps and detergents remove the fabric softener during washing, add the softener each time you wash. See how harsh, stiff towels are made thirsty and soft, perfect for after bath luxuriousness or for making the cuddly bunny, as illustrated.

DIRECTIONS

1. Tightly roll 12 folded newspaper pages crosswise. Fasten at both ends with rubber bands.
2. Fold one terry towel (17" x 26") in thirds lengthwise. Roll around one end of paper. Fasten with rubber band.
3. Lay second towel (17" x 26") flat. On it place rolled towel lengthwise about 2" from one end.
4. Draw corners loosely up and around the roll. Fasten with rubber band to make bunny's tail.
5. Starting at top center, draw towel down until corners take form of ears. Twist rubber bands around base of ears to hold them in place.
6. Smooth towel overlap at back. Tie bow above thick base (body). Balance ears on top of inner rolled paper.
7. Arrange towel folds to suggest face.

OLD GLORY NEWS--

By HELEN DIERS

Mr. and Mrs. Carl Druess-dow are announcing the engagement and approaching marriage of their daughter, Janet Elaine, to Escel Burvis Compton, Jr. of Big Spring. His parents are Mr. and Mrs. Escel B. Compton. The couple will be married April 7 in Lubbock.

Miss Druessdow is an honor graduate of Old Glory High School, attended Hardin-Simmons University in Abilene and is a graduate of Texas Technological College, Lubbock. Presently she is employed at the Sanford Agency of Lubbock.

Compton is a graduate of Big Spring High School. He completed his military service at Ft. Sill, Oklahoma recently and plans to resume his stud-

ies in June.

A preliminary 4-H Talent Show was held in the Old Glory Cafetorium on Thursday, March 16. This was to cut out those entries which were not good. On this day, also, Helen Diers, president of the Old Glory 4-H Club, presented Truette Hennig, county agent, a mahogany framed clock, engraved with the words, Old Glory 4-H Club, Stonewall County. This was in appreciation for his service to Old Glory 4-Hers.

Friends of Hill Sawyers, 80, retired Stonewall County farmer, were saddened to learn of his death Saturday at 12:05 a.m. He was admitted there 11 days ago, but had been ill for some time.

Mr. Sawyer, who came to Stonewall County in 1925 from Parker County, lived 9 miles north of Old Glory. He was born Nov. 4, 1880, near Weatherford and married Emma Snider in 1908 at Mineral Wells.

The funeral was held Sunday at 2 p.m. in the Aspermont Church of Christ, with C. W. Zenor, minister, officiating. Burial was in Aspermont Cemetery.

Pallbearers were Carl Hunt, James Robinson, John Duncan, Carl Pierce, Herman Dugan and Jimmy Cox.

Survivors include Ancel Sawyers, Mrs. Morris James, Mrs. Willie Fletcher, Mrs. Mid Johnson, and Mrs. Morris Garner.

Mrs. Joe Garland of Merkel, and Mrs. Eunice McWhirter, Rising Star, were visitors in the home of Mr. and Mrs. V. R. Leverette Sunday. Mrs. Garland is Mrs. Leverett's mother.

Old Glory 4Hers To Compete in Tractor Contest

Sanford Woodridge, Old Glory 4-H'er will represent Stonewall County in the District 4-H Tractor Operator Contest at Wichita Falls on May 6th for the third straight time. He qualifies for this by winning the senior division of the fourth annual tractor program held at Aspermont last Saturday. The event was sponsored for the fourth straight year by J. K. Veasey Ford Tractor Company.

Jerry Hann, 12-year old Old Glory 4-H'er, took first in the junior division, and will represent the county in the District Junior Division.

The winners of the two divisions received 4-H jackets. The runners-up in each division received 4-H knives, and all contestants received ribbons. The second place senior winner was Jerry Cannon, and the second junior winner was Joe Cannon, both of Old Glory 4-H. Three boys tied for third in the senior division. They were Tommy Letz, Sandy Leverett, and Charles Diers. Three also tied for fourth. They were Phillip Hill, David Patton, and John Riner, all of Aspermont.

Third in the junior division was Edward Patton of Aspermont. Three tied for fourth—Martin Collon, Donald Worthington, both of Aspermont, and Herbert Woodridge of Old Glory.

Ask Amy

BY AMY ADAMS

"DO UNTO OTHERS . . ."

Dear Amy: I know of a woman who lives in neighborhood of devout church members and none of these so called "good Christians" will speak or give anything to do with her. The reason is, their children have told her tales about her and the children choose to believe the children.

They let their children treat is woman like dirt and do nothing about it. She tries to get her children to behave but they smart with her and the parents don't believe anything she tells them about the children's behavior.

Before this started, she went it of her way to help her neighbors anyway she could. She would give, but she owns her home and tries to sell.

Disgusted

Dear Amy: Being a 'church goer' is one thing but to qualify as a 'Good Christian' is quite another. It could be to this woman's advantage (and to her neighbor's) to talk this over with their priest. If anyone needed a sermon on the Golden Rule and Brotherhood, hey do!

Dear Amy: If you think other girls have bubbles, listen to this. I am 14 years old. My father has a terrible temper and hits me for no reason at all. My mother works when she isn't drunk (she drinks like a fiend). My troubles are bad. Please give me some advice, Amy. Thanks for reading my letter.

Black and Blue

Dear Black and Blue: Get in touch with your local chapter of THE SOCIETY FOR THE PREVENTION OF CRUELTY TO CHILDREN. They are listed in your telephone directory. They will see that your home improves or provide you with a suitable place to live. Good luck, kid!

Dear Amy: I read in your column about the girl who is 18 years old and dates a man old enough to be her grandfather. You said she should have her head examined. I think you are wrong. If they love each other, don't think the differences in their ages has anything to do with

it. I am happily married to a man who is much older than I, but I love him and I know he loves me. I couldn't be happier than I am now! I think you are the one who needs her head examined.

Ann

Dear Ann: There are exceptions to every rule. You are entitled to your opinion but (for the good and welfare of this 18 year old) I'm sticking to mine!

Dear Amy: . . . For six years my husband belonged to "AA" and now he's back doing the same things again. He got a \$100 Christmas bonus and promised to pay the mortgage with it but didn't. Instead he spent it all on having fun. He likes company at the bar and treats them all. For 13 years we were always paying off different cars. He finally wrecked the last one completely.

I'm sick to think of all our money being spent foolishly. I work two or three days a week to help out. After 16 years of marriage, I'm tired of struggling and worrying to get the money together to get him out of the mess that he always gets himself into.

How or what can I do to help him acquire responsibility? I'm desperate!

Mrs. A. G.

Dear Mrs. A. G.: You will never help him acquire responsibility if you continue to make it easy for him to avoid it. You should have secured professional assistance many years ago. Contact your local office of THE FAMILY SERVICE AGENCY. Don't expect miracles, but if he can be helped, they will help him!

PERSONAL to M. T. (Ohio): According to my mail, you are not alone with your problem. Don't be too embarrassed to tell your family doctor. He has heard of everything and will offer some helpful suggestions.

PERSONAL to Stu: Take a tip from nature: Your ears aren't made to shut, but your mouth is!

Please address all letters to: AMY ADAMS c/o THIS NEWSPAPER For a personal reply enclose a self-addressed, stamped envelope.

SWEETWATER WOMAN REVIEWS BOOK FOR GUEST DAY TEA

Mrs. T. D. Young of Sweetwater reviewed the "Lovely Ambition" at the guest day tea given by the Woman's Literary Club Friday at 3 p.m. in the First Methodist Church.

Music for the afternoon was furnished by Mrs. Johnnie McCrary and presiding was Mrs. M. T. York, vice-president who welcomed the guests.

Mrs. Carl Murrell introduced Mrs. Young, a recognized book reviewer and wife of a prominent doctor in Sweetwater.

"Lovely Ambition" is a story centered around an English Methodist minister and his family who immigrated to Maine at the turn of the present century, in search of religious freedom. The book depicts their hardships and pleasures as they find new friends in America. John Tillard's lovely ambition was to bring the happiness of God to others.

The serving table was covered with a white cutwork cloth, and centered with an arrangement of whiststock and jonquils. The punch was ladled by Mrs. C. F. Cook.

Meeting in the home of Mrs. L. A. Joiner Friday at 3 p.m., the Fifty-Two Study Club heard a book review on "The Raven and the Sword", a biographical novel on the life of Sam Houston, written by Matthew Gant.

The review given by Mrs. Dean Witt disclose many unrevealed facts in the life of one of the most controversial figures in Texas history. The author believes that his is the first story to come close to the actual facts in the life of this great man without destroying the legends and myths of early days.

Program director was Mrs. Gene Westmoreland.

Mr. and Mrs. Chester R. Dalby of 6405 Greenway Road, Fort Worth, have announced the engagement and approaching marriage of their daughter, Miss Carol Jane Dalby, to Jay Thomas Cunningham, son of Mr. and Mrs. Louie J. Cunningham of Hamlin.

The couple will be married at 8 p.m. April 15 in the Ridgelea Methodist Church in Ft. Worth.

Both are students at Texas Technological College in Lubbock. Miss Dalby is a sophomore and Jay, a 1957 graduate of Hamlin High School, is a senior majoring in business administration.

Naomi Class Has Spring Social Thursday Morning

A spring social was given for members of the Naomi Sunday School Class of the First Baptist Church Thursday, March 16, at 9 a.m. in the home of Mrs. Ruby Perryman.

Mrs. Johnnie Agnew gave a devotional and Mrs. Joe Simpson reported on the work that has been done at the local Mexican Mission.

Assisting Mrs. Perryman as hostesses for the event were Mrs. Mattie Laffler, Mrs. Clara Robertson, Mrs. Arvil Miller, Mrs. Fred Allen and Mrs. J. C. Laine.

Refreshments were served to Miss Agnew, Simpson, Noble Greer, Orville Waymire, Amos Pemberton, Charlie Abbott and the hostesses.

HD AGENT GIVES TIPS ON USING COLORS IN HOMES

Thinking of doing some painting, papering, or re-furnishing this spring or summer? If so, choose colors for a reason - to get the special effects that you may want and, at the same time, provide a comfortable, pleasant background for every day living.

Begin by analyzing the room, suggests Mary Y. Newberry, Jones County Home Demonstration Agent. Its use, shape and exposure will determine colors best suited.

Decide how you want the room to look. Will it be light and gay, restful or dramatic. Do you want it to be predominantly warm or cool? A good plan has few colors, usually no more than two or three in different values and intensities. The best color schemes grow from a dark color, a light color and a bright color. Black, white and grey are not considered colors, but are often used to give a needed accent of light or dark. Choose your favorite color if you do not need to consider the color or colors of furnishings which you must keep. Or select a picture or print which has your chosen colors and plan your scheme from that. Good proportion of the different colors is important. This means that your color scheme will be definitely dark or light and that either warm or cool will predominate. Proportions of 60 percent of area for one color, 30 percent for a second color and 10 per cent for accent, insure good proportion.

When you place the colors in a room, choose the color for the largest areas first, floor coverings, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity. Next, choose colors for small upholstery and the window treatment. This treatment may be a blend of the room colors, or match or contrast with the walls. Lastly, choose colors for accessories and small areas - pillows, lamps, ash trays, etc. Usually, this accent color is the brightest color.

TEXAS DEATH TOLL DROPS 8 PERCENT IN 1960 FROM 1959

The Texas Department of Public Safety today (March 15) officially closed the 1960 traffic "death book", showing for the year, a reduction of a total of 2,254 motorcides for the year, a reduction of eight per cent from the 1959 toll.

"While this tragic loss is still far too great, it is somewhat heartening to note that 199 fewer lives were taken by traffic in Texas during the past year," said Col. Homer Garrison Jr., DPS director.

"Texans proved during 1960 that with a concerted effort on the part of the official agencies, private organizations and the general public, something can be done about the terrible tragedy of death by motor vehicle.

"In some sense, 1960 was a noteworthy year in the cause of traffic safety in Texas. The death toll was the lowest for any year since 1949 when 1,957 were killed. And based on the 46.3 billion vehicle miles travelled during the year, Texas had a death rate of 4.9--the lowest on record.

"Texans should accept this improvement as a challenge for an even greater effort in 1961 to hold down traffic deaths and injuries and economic loss. The best single effort that can be put forth by every driver is to obey the safety laws and regulations, because in almost every accidents at least one violation is involved."

The 1960 report prepared by the DPS Statistical Services division, indicated that most of the improvement in the motorcide toll occurred in the rural areas. The breakdown showed an 11 per cent reductions in rural areas, compared with a one per cent reduction in urban areas.

A complete tabulation and analysis of 1960 traffic accidents is being made by the division and a formal annual report will be ready for release by April 1.

All nations report more women working, each year. Looks like the menfolk are going back to the method used by the American Indians.

JUNIOR HIGH CHOIR WINS 2ND AND 3RD IN COMPETITION

Members of the Hamlin Junior High School Choir earned a good rating in the University Interscholastic League competition held on the campus of Hardin-Simmons University in Abilene Saturday.

Freida Ford and Pamela Austin won first place medals in the soprano solo competition with Jeanette Green and Linda Helms receiving second place citations.

The group, composed of 45 girls, placed second in sight reading and third in concert competition. Mrs. Willard Maberry, director of the choir, stated that she was very proud of the girls, especially since this is the first year for them to participate in the interscholastic league contest.

Linda Goodwin is accompanist for the group and Mrs. Maberry accompanies the soloists.

PRE-EASTER SERIES—

EASTER SEASON CELEBRATED IN MANY DIFFERENT WAYS

Editors Note: This is the third in a series of pre-Easter articles released by the World Book Encyclopedia.

From Paris, Illinois to Paris, France, from Sweden to Syria, Christians find hope and joy in Easter. They also find different ways to celebrate the holiday.

In France and some other European countries, church bells do not ring from Good Friday to Easter. According to a legend uncovered by Mrs. Francine Klagsbrun, religion editor of the World Book Encyclopedia, the bells fly to Rome. On their way back for Easter, they drop the eggs which children find.

Germans color eggs green on Maundy Thursday and carry them around all day for good luck. The Shrove Tuesday festival is called Fastnacht, of fast night, in Germany and Switzerland.

The English are especially careful to wear new clothes, because an old rhyme warns, "At Easter let your clothes be new, or else be sure you will it rue." The custom of wearing new clothes comes from the early days of Christianity, when newly baptized persons were dressed in white linen garments. Easter has always been a favorite time for baptism.

Religious processions mark Good Friday in Spain. Some-

times the processions include pasos, or wooden figures mounted on platforms which represent scenes from the last week in Christ's life. Easter Day is celebrated with dancing and bullfights.

Children in Denmark and Norway trim birch branches with paper streamers on Shrove Tuesday and playfully beat their elders until they receive hot cross buns. During Lent, Swedish people decorate their houses with birch twigs trimmed with chicken feathers.

In Armenia and Syria, church officials wash the feet of beggars on Maundy Thursday, while Eastern Orthodox officials hold a public foot-washing ceremony in Jerusalem.

In the United States, New York City, Easter parade and the White House egg-rolling contest are well-known customs. In Bethlehem, Pennsylvania, the trombone choir of the Moravian church awakens the people early on Easter morning, and they sing and pray as they wait for the dawn. Outdoor sunrise services are observed in many places, such as the Hollywood Bowl in California and the Hawaiian Punchbowl, overlooking Honolulu.

The victory of life over death - - - that is the meaning of Easter, the most important and the most joyous holiday celebrated by Christians.

For Easter commemorates the resurrection of Jesus Christ, who redeemed mankind through His death and then rose from the tomb on the third day. In His own victory over death is the promise of life everlasting for all men.

The Easter season also carries overtones of ancient spring festivals, celebrating the awakening of the earth after the dead of winter. Mrs. Francine Klagsbrun, religion editor of World Book Encyclopedia, tells us that the name may have come from Eostre, a Teutonic goddess of spring.

In many languages the name of the holiday is derived from the Jewish Pesah, or Passover, the festival that celebrates the exodus of the Jews from Egypt. The crucifixion and the resurrection occurred during the Passover Week and three of the Gospels say that the Last Supper was a Passover meal. Thus the Italians call the Christian holiday Pasqua; the Spaniards and the French, Paques.

In the first two centuries after the crucifixion a controversy arose over when the festival was to be celebrated. The custom in Asia Minor was to observe Easter with the Lord's Supper on the evening of the 14th of the Jewish month of Nisan, which was Passover, regardless of the day of the week. The Romans, however, preferred to hold the Easter feast always on Sunday.

The Nicene Council of 325 resolved the dispute. It set the date for Easter as the first Sunday after the first full moon after March 21, which is about the time of the vernal equinox. It cannot come before March 22 or after April 25.

Members of Eastern Orthodox churches sometimes celebrate the holiday later than the other churches. But no matter what the date, "the festival of festivals" and "the most royal day of days" is marked by great rejoicing.

One of the vows a Turkish groom takes at the wedding ceremony is to keep his wife well supplied with coffee.

For several months reports on the economic situation in the nation have varied from bleak to bright. Some of the reports have been nothing more than guess-works. Some have been designed to serve political purposes.

In the face of conflicting reports, is there any way for the retail merchants to get a true picture of his potential sales for 1961?

Yes. A few reports are based on facts. Perhaps the most reliable are the figures of the Federal Reserve Board. This disinterested agency indicates that 1961 is going to be an exceptionally good year for the retailer.

The volume of spring shopping, according to the Federal Reserve Board, is running well above last year's volume. During the first week in March department stores did 26 per cent more business than they did in 1960.

Dun and Bradstreet, another reliable source of information on market conditions, supports the optimism reflected in the Federal Reserve Board estimates. The firm reports retail trade "smartly" above a year ago.

Another sign worth noting: The nation's largest retail store has just announced that it will spend more on newspaper advertising in 1961 than it has during any previous year.

Of course some retail stores have lost business because of localized unemployment. In general, however, the retail merchants should be doing better than he did in 1960 or 1959.

Apparently some retailers are assuming that things are going to get worse before they get better. This attitude can certainly make the assumption true. It leads to a reduction in advertising and promotion which drives business to other stores. There is good evidence that the consumer has money to spend, and that he is spending it where he is being sold by strong local advertising.

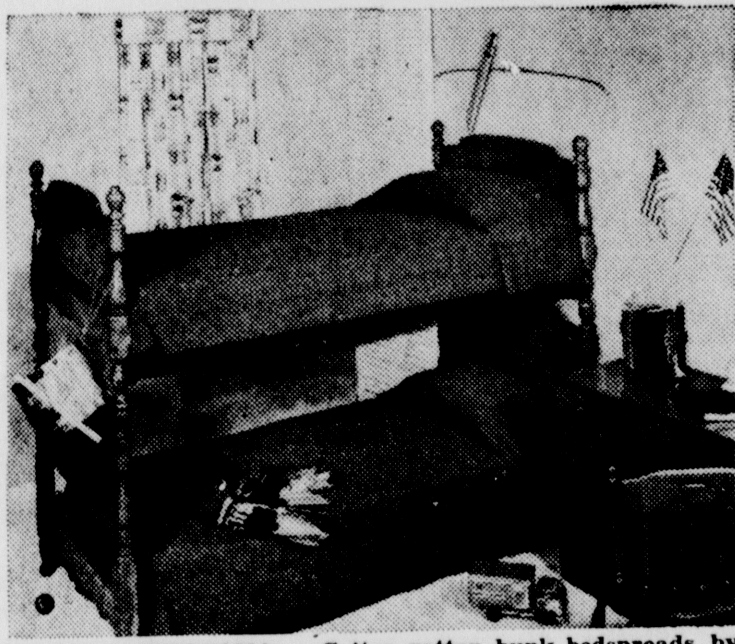

Texas Ginners To Meet April 9-11

DALLAS — United States Senator James O. Eastland and Texas Attorney General Will Wilson will be the main speakers for the 48th annual convention of the Texas Cotton Ginners' Association in Dallas, April 9-11.

Association president James P. Walsh of Mission announced plans for the convention program and exhibit of gin machinery supplies and equipment which will be held in the Industries building on the State Fair Grounds.

Gaum has the highest birth rate of any area of the world, with 58 births per year for each 1000 population. U. S. average, 24.8 (Monaco claims the low record of 14.2 per 1,000 population).

A soil test will help take the guesswork out of buying and applying fertilizers. Don't guess, soil test.

Whose Bird Is It?

Who has the rightful claim to game shot by more than one hunter?

This question has plagued sportsmen since time began. There is no single answer. Proper etiquette is observed differently according to the section of the country.

Most widely accepted is that the deer, bird, or other animal belongs to the one who first wounds it. Other shots are supposed to kill. . . but only to prevent waste or suffering.

How their telephones save Mr. and Mrs. Neil Sauer 2½ hours a day

By DON DAVIS, Telephone News Writer

"I called a department store to order a place setting of china I saw advertised. I'm going to give it to a friend who is getting married."

"As a photographer, I have calls at home in the evening to arrange for props and models. So I use our Princess phone in the bedroom, where it's quiet."

The Sauers use their phones — a white Princess model in the bedroom and a green wall phone in the kitchen — about 50 times a week to help them get things done.

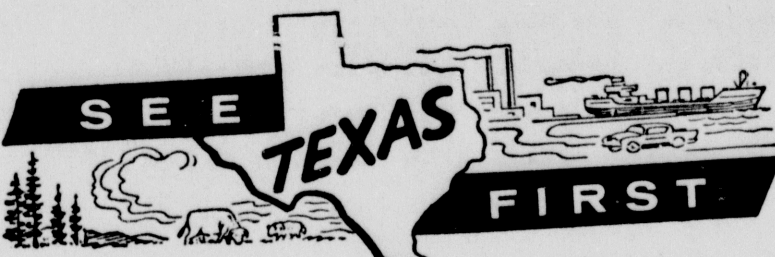

As she speaks of the Princess, Mrs. Sauer's eyes light up. "It's so small and lovely. And the way the dial lights up is great." The Sauers use their bedroom phone when they want quiet and privacy. This phone also gives Mrs. Sauer a sense of security when she's alone at night.

Why not take a tip from the Sauers? Enjoy the convenience, pleasure and security of extension telephones. Just call the telephone business office or ask a telephone serviceman. Cost is low.

Worth A Month of Sundays
Czech citizens of Texas have provided our State with one of the most interesting and reverently beautiful spots to be found in the entire country.

At their Village of Hostyn they have constructed a rock and stone duplicate of the Grotto of Lourdes, just as it is found in France.

Hostyn is located in Fayette County, just six miles south of La Grange, in Central South Texas.

Nestled atop a hill, the Grotto and numerous chapels, monuments and statues of marble, rock and granite encircle a church.

Some tourists have been heard to respectfully comment that the visit to Hostyn was "worth a month of Sundays." It is truly a beautiful and moving area to behold. We should be glad it's in Texas.

Raven Hill in Oakhurst

General Sam Houston was called "The Raven" by the Cherokee Indians. When he built his well-known plantation home in 1884 it was appropriately called "Raven Hill."

The site of "Raven Hill" is near Oakhurst, Texas, north of Houston and east of Huntsville, in San Jacinto County.

Scout Leader Finds Skeleton
A girl scout counselor discovered the "Skeleton of Yellowstone Canyon" just 12 miles east of Lubbock in Northern West Texas.

The skeleton was that of an Indian who died between 1858 and 1875. He was buried with a Remington-Beals, 44-caliber cap and ball revolver (such as used by the U. S. Army), an Army officers' metalbelt buckle, a scalping

STICK WITH SUCCESS

KEEP U. S. SENATOR

BILL BLAKLEY

WORKING FOR YOU

FACTS ON U. S. SENATOR BILL BLAKLEY — THE MAN

BILL BLAKLEY means success! Sure, he's wealthy. But he didn't just hit it lucky or inherit it. Hard work and brains did it. He's been called "one of the self-made millionaires alive." It will cost Bill Blakley a lot of money to devote full time to the U. S. Senate. He believes he owes it to the nation that let him get ahead. Can any Texan pass up the chance to have this kind of self-made success working for us in these troubled times?

BILL BLAKLEY is no sophomore in Washington. He's on two of the U. S. Senate's most important committees — Banking and Currency, and Judiciary. Study the other candidates. Do we have time to let them work their way up to these positions?

BILL BLAKLEY not only sits with but helps lead the great Southern Conservatives Group. He made clear when he helped lead the fight to beat the gag-rule which Northern left-wingers would have put on the South.

BILL BLAKLEY is 100 per cent for the right to get ahead — as he did. He's against anything that denies the right; Big Government or Big Monopoly, either one.

BILL BLAKLEY will fight our drift toward Socialism, whatever you want to call it. Presbyterian. You can depend on it; he lives, believes

BILL BLAKLEY is a God-fearing Churchman. He is and practices as you would want him to.

BILL BLAKLEY is in good shape, physically! His doctors have checked him out. He's old enough to know what to do. He's vigorous enough to do it. He'll do, to ride the river with, any kind of weather.

BILL BLAKLEY is your best bet for Senate help against recession. Head and shoulders, he is the best qualified man — by successful business experience and Senate position already achieved — to head off hard times.

BILL BLAKLEY won't make you guess where he stands — on any issue! Ask him or write him.

BILL BLAKLEY is your kind of folks. There's nothing fancy about him. Meet him once and find out for yourself. He worked on a ranch as a young man. He knows the farm and ranch problems.

BILL BLAKLEY, U. S. Senator, is worth asking yourself this question. Since he already has money and position, what other reason could he have to accept a Senate nomination except to fight for his country, for you and your children?

By MRS. ELMER JOINER

Our community has been in a state of shock and sadness since last Monday morning when it was learned that Mr. O. L. Jenkins had suffered a serious heart attack. For a while it looked as if he might survive, but on Thursday afternoon at 2:30 p.m. God called our beloved "Little Oscar" home. Funeral services were held Saturday afternoon in the Fairview church, where he had been a member since young manhood.

The pastor, the Rev. Doyle Combs and a former pastor and close friend of the family, Rev. K. E. Wooley of Mangum, Oklahoma, had charge of the services and gave a beautiful tribute to a loving friend and neighbor and the corner stone of our little church. He was our senior deacon, and an inspiration to all those that worked with him, especially our young pastor.

"Little Oscar" is gone from among us but we will always remember him as a good husband, father, neighbor and a wonderful christian gentleman who loved his Lord's work and all it stood for.

Many friends, too numerous to try to mention, came from near and afar to attend the funeral services, a fitting tribute to a dear friend.

Mr. and Mrs. E. A. Henry had their son, Mr. and Mrs. W. C. Henry and Jo of Elgin, Texas as visitors over the week end. Mr. Henry was a visitor at church Sunday with his father.

Other visitors in the Henry home Sunday were Rev. and Mrs. Doyle Combs.

The Rev. John C. Jenkins, pastor of the Woodrow church, located south of Lubbock, came to church with his mother, Mrs. O. L. Jenkins Sunday morning. John was reared in our community and we are all proud of him and his work in the ministry.

We were all glad to see George Wainwright able to be in church Sunday.

Mrs. Earl Herbst visited with Mr. and Mrs. R. M. Jones last Wednesday night.

Mr. and Mrs. Elmer Smith of Carlsbad, New Mexico spent last Friday and Friday night with Mr. and Mrs. Elmer Joiner. Mr. and Mrs. Woodrow Goodwin and Linda also spent most of the time with

them as the ladies are all sisters and they had a good visit.

Others visiting in the Joiner home Friday night were, Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, Mr. and Mrs. Runt McCoy Kay and Larry.

Mr. and Mrs. John Beauchamp have been to Knox City to see his brother, Bob Beauchamp, who is in the hospital, having suffered two heart attacks.

Mrs. Winson Gray and Mrs. Fred Rosenbaum went to the R.E.A. meeting in Stamford last week and came back by and visited with Mrs. Roy Watts.

Mr. and Mrs. Helmer Carter, Mary and Sandra, Hanna community, were visitors in the Winson Gray home Sunday afternoon.

Rev. and Mrs. Doyle Combs and Mr. and Mrs. Earnest Henry visited in the Drake home Sunday afternoon.

R. L. Waddell painfully injured his hand last week when he cut it on a plow on his tractor. We understand that he severed two veins and has had to make several trips to the doctor following the accident.

Mrs. H. L. Ford's father, J. L. Fuqua of Crawford, spent several days last week with them. Mr. Fuqua came for the funeral of his brother, Jack Fuqua, a resident of Avoca.

Mr. and Mrs. Joe Ford spent Sunday in Abilene visiting their three children that live there.

Mr. and Mrs. Sanford Potts, residents of McCauley, visited with Mr. and Mrs. George Wainwright and Jimmy Saturday afternoon.

Woodrow Goodwin and Linda attended the father and daughter banquet in the Junior High School auditorium Saturday night. This is an annual affair of the camp fire girls.

Mr. and Mrs. Roscoe Greenway's daughter, Caroline, is visiting them this week. Her husband, Col. Gordon Knight, stayed a few days and returned to Washington Sunday. They are both in the service and Mrs. Knight is also a high ranking officer.

Also visiting the Greenways were Mr. and Mrs. Delbert Barron and sons of Borger. Their eldest son, Bert, recently had surgery on his leg, but is doing well.

Visiting Mr. and Mrs. J. F. Vaughn Sunday afternoon were Mrs. Ralph Riddle and Mrs. Robert Fowler, also the pastor and wife and the Henrys.

Mrs. Greenway had lots of company last week, to numerous to name them all. We think we have the best folks in the world when one of us gets sick, and I am sure Mrs. Greenway will agree with us.

FARM HOME HOUSING LOANS PICK UP AS MONEY ADDED

The farm housing loan program of the Farmers Home Administration is picking up new momentum, not only throughout the Nation, but in Jones County.

This is the word from James C. Hayes, county supervisor in charge of the agency's lending program here. He said this renewed farm housing loan activity follows the early February announcement that an additional \$50 million is now available to the Farmers Home Administration for its 4 percent loans to farm owners to build or repair farm houses and essential farm buildings. Such loans may extend over a 33-year period.

The new loan money broke up a log-jam of applications that were being held because funds had been exhausted. Nationwide, loans are now being processed at the rate of about \$5 million a month

but indications point to a probable doubling of that pace.

In this area Mr. Hayes said he looks for the main demand to continue to be for loans for new construction, although farm owners may need the credit to repair or remodel dwellings, put in modern kitchens, install pressure water supply systems, central heating, bathrooms, and other conveniences. Other uses include building, repairing, or modernizing barns, dairy and poultry facilities, and other farm service buildings. Farm owners find much of this type of construction necessary to cope with changing agricultural conditions.

Mr. Hayes pointed out that byproducts of this loan program include employment of carpenters and other skilled and unskilled labor, and increased business for concerns

that handle building materials and equipment items.

Eligible to borrow are owners of farms that annually produce at least \$400, worth of commodities for sale or home use based on 1944 prices, but who cannot be adequately financed through other sources.

Cubs of Den 9 Visit Herald

The Cub Scouts of Den 9, recently organized, visited the Hamlin Herald Tuesday afternoon. They were accompanied by Mrs. Laverne Kirby, one of the den mothers.

The boys will receive their Bobcat Pins at the meeting this month. Meetings are held each Tuesday in the home of Mrs. John Hix, the other den mother.

Those touring the plant were Greg Perrin, Jerry Brown, Joseph Cox, Michael Lewis and Gary McMillan.

The present flag of Denmark was adopted in 1218.

SEAGRAVES ADDED TO PIED PIPER SCHEDULE FOR FALL

Seagraves is the only new name on the Pied Piper football schedule for this fall as released this week by superintendent C. F. Cook. Seagraves will replace Edgewood of San Antonio on the past season's schedule.

The schedule calls for four home games this year with six road games. Cook expressed disappointment in the 4 weeks in a row the team will play out of town but said there was not anyway around it. The scheduling difficulties was brought on by the changes in the district year before last and it will be next year before it will be possible to get the schedule back in balance.

The schedule is as follows: Sept. 1—Cisco, here. Sept. 8—Seagraves, there. Sept. 15—Merkel, there. Sept. 22—Rotan, there. Sept. 29—Winters, there. Oct. 6—Childress, here. Oct. 13—Arjon, here. Oct. 20—Haskell, there. Oct. 27—Open date. Nov. 4—Spur, here. Nov. 10—Stamford, there.

GARY COOPER, GARY WILLIAMS SIGN WITH HARDIN-SIMMONS

Two football players from Hamlin High School have signed pre-enrollment applications to attend Hardin-Simmons University, head coach Howard McChesney has announced.

The two athletes are Gary Neal Cooper and Gary Williams, both seniors at Hamlin High School. Cooper is 6-1 and weighs 205 pounds while Williams stands 6-3 and weighs 175 pounds. The two plan to enroll at H-SU next fall.

Cooper, the son of Mr. and Mrs. O. L. Cooper of 129 Southwest Avenue D in Hamlin, plays tackle on offense and defense and he also competes in track. He plans to study engineering or mathematics.

Williams is the son of Mr. and Mrs. Glen Williams of 221 North Central and is a

guard and middle linebacker. He also competed in basketball, baseball and track for the Pied Pipers. He plans to become a coach.

Both athletes are coached by D. C. Andrews and Jim Vaughn, former Hardin-Simmons athletes.

County TB Group To Meet Tonight
